

Summer English Academy

All Inclusive English & Activity Program for Teenagers in the San Francisco Bay Area!

CCI's Summer English Academy for Teenagers offers a unique program of English classes and exciting activities in the San Francisco Bay area. International students, ages 14 – 18, reside on a beautiful boarding school campus off the northern California coast. CCI's dedicated staff provides creative and intensive English classes and recreational activities each weekday. Students are encouraged to use English at all times: meals, during classes and activities, as well as on weekend and mid-week excursions to nearby attractions in the San Francisco Bay Area and beyond.

The boarding school features a healthy, delicious all-organic food menu prepared by an in-house chef.

The program includes 16 hours of English classes per week. Our highly qualified ESL teachers focus on speaking, listening, grammar, writing, and reading skill sets. Class size never exceeds 12 students.
